

THE UNIVERSITY OF ARIZONA  
PEDIATRIC PULMONARY CENTER

Peer Diversity  
Collaborative

# Team Arizona

- Pediatric Pulmonary Center
- MCH Training Program -School of Public Health

# Mission and Activities

- Mission

Increase Recruitment of Diverse Trainees  
and Retention of Diverse Faculty Members

- Activities

1. Market college and MCH programs to rural middle school students.
2. Investigate the experience of diverse faculty members.

# Increase the Number of Diverse Trainees

- Must Increase the pool of diverse applicants
- Focus on Rural Middle School Students
  - Workshop for students and parents
  - Motivational Speakers from College of Medicine/Public Health
  - MCH Program information and career information
  - Clubs / Booths
  - Financial Aid Information
  - Tours of College of Medicine/Public Health

# Investigate Diverse Faculty Experience

## ● Needs Assessment

- Campus wide survey, completed in March 2012
- Target Audience = Junior Faculty
- Survey will identify needs
- Plan of Action with results

# Sustainability

- ◉ Committee Member Recruitment
  - Inviting members from across UA and other Universities
  - Gear Up (high school focus)
  - Club Members
  - Discipline Specific Faculty Members
  - Trainees

# Ready! Set! Go!

This is a marathon, not a sprint!

Thank You!
